Press Release

PAFFREL on the Presidential proclamation dissolving the parliament.

Due to the present uncertain political environment following the dismissal of Prime Minister Ranil Wickremesinghe and the dissolution of Parliament. As a civil society organization we are deeply concerned about the prevailing situation.

The Board of Directors and the officials of PAFFREL have considered the event that have taken place of the opinion that the dissolution of parliament is contrary to the provisions of the 19th Amendment to the Constitution.

We are also aware that there is much confusion amongst the general public about the correct legal interpretations. PAFFREL will be filing a case before the Supreme Court to ascertain the correct legal position.

Thank you,
