

PAFFREL complains to Speaker

Misconduct by 59 MPs

People's Action for Free and Fair Elections (PAFFREL) has forwarded a letter to Speaker Karu Jayasuriya, informing him of misconduct by 59 Parliamentarians and requesting him to take immediate legal action against them. PAFFREL has also claimed that those MPs have destroyed the respect of the Parliamentary tradition and have even destroyed public property.

Therefore, they have requested that action be taken against those MPs as a lesson to the others.
